

- **What to expect on the date of service: PLEASE REMEMBER THERE ARE NO FUNERAL SERVICES AT THE CEMETERY**

1. We are requiring that all attendees be in good health, wear a face mask, use hand sanitizer, and keep the requested social distances.
2. All vehicles arriving for services will park in the designated spaces next to the 7 service flags before the Administration Building. The funeral director will let us know the service has arrived. Family members should remain in their vehicles unless they are using the facilities in the admin building. The cemetery director will meet the next-of-kin outside with the funeral director.
3. The cemetery director will proceed to the committal shelter, ensure the military is ready, and start the music (the music can be heard throughout the cemetery). At that time the procession will drive together, following the hearse, to the committal shelter where the military honors will be rendered and your pastor will have the opportunity to say a prayer.
 - Please remember the vehicle carrying the veteran should be the first vehicle to arrive at the committal shelter to ensure the veteran receives his/her proper salute.
 - Again, this is not a funeral; there should be no eulogies, hymns, or other elements of a funeral.
4. Please follow the directions for seating and keeping social distances at the committal shelter.
5. The entire service takes approximately 20 minutes and the funeral director will make the announcement at the end of the committal for everyone to return to their vehicles to drive home.
