

- **On date of service: PLEASE REMEMBER THERE ARE NO FUNERAL SERVICES AT THE CEMETERY**

1. All vehicles arriving for services will stop at the stop sign in front of the Administration Building. Vehicles will park in the designated spaces next to the 7 service flags at the Administration Building. The next of kin or their representative will park directly in front of the admin building and bring the cremains and the flag into the office.
2. A member of the cemetery staff will proceed to the committal shelter, ensure the military is ready, and start the music (the music can be heard throughout the cemetery). At that time the procession will drive together to the committal shelter where the military honors will be rendered and your pastor will have the opportunity to say a prayer.
 - Please remember the vehicle carrying the veteran should be the first vehicle to arrive at the committal shelter to ensure the veteran receives his/her proper salute.
3. The entire service takes approximately 20 minutes and the funeral/cemetery staff will make the announcement at the end of the committal for everyone to return to their vehicles once the service has ended.
4. If this burial will include a non-veteran spouse we will need payment in the form of certified funds (cashier's check, money order, etc.) made out to LDVA in the amount of \$745. If the funeral home is bringing the casket or cremains the check will come from the funeral home.
