

About Our Home

The Southeast Louisiana Veterans Home is located in Reserve, La. next to the St. John Parish Senior Citizens Center and the VA Community Based Outpatient Clinic. The 156-bed facility opened on June 4, 2007 and sits on 20 acres of land.

The home offers a variety of amenities including a recreation building, a large chapel, individual dining rooms and complete medical care. Residents also have access to a library with a collection of books, newspapers, magazines and DVDs. Our Activities Department staff designs programs to encourage socialization, provide entertainment and keep our residents busy with regular activities such as bingo, crafts and exercise. Our chapel, with its beautiful stained glass window, is a quiet place for meditation or attending a worship service.
